HR and L&D Professional

+918700800175 | atulkpal@gmail.com | India | [LinkedIn](#)

SUMMARY

Seasoned HR and L&D professional with **over two decades of experience** in building, leading, and scaling high-impact Human Resources and Learning & Development functions. Proven expertise in setting up departments from the ground up, designing efficient systems, and enhancing existing processes to maximize productivity and organizational effectiveness.

Entrepreneurial in approach, with a strong inclination toward innovation and continuous improvement. Skilled in creating positive, high-performing team environments, ensuring optimal talent alignment, and fostering a culture of engagement and excellence.

Backed by broad exposure across HR domains, I also bring strong interpersonal and strategic skills that translate effectively into **Sales and Marketing** functions—especially in people-centric and growth-focused organizations.

EXPERIENCE

Sr. Manager - Training, Integra Microsystems Private Ltd, New Delhi **Sep 2020 - Present**

Responsible for designing and executing capacity-building programmes aimed at onboarding and supporting entrepreneurs within the system. The role involves organizing pan India training sessions, workshops, and knowledge-sharing forums to strengthen entrepreneurial skills and promote best practices across regions.
